Empire Disposal
5301 Sun Valley Dr.
Fort Worth, TX. 76119

Attn: Sandra McGlothlin

Dear Sandra,

With a tremendously grateful heart I want to say thank you for your kindness in providing us a dumpster for the 2014 Choose Life 5k. The Choose Life 5k had as its chief goal to raise funds that will go to resource pregnancy centers in Tarrant County that provide many free services to women. We are still approaching what our final amount raised will be, but at this point we have raised at least \$240,000. Having a dumpster on site was a tremendous blessing to our event, and having it donated means that is more money that we will be able to give away. For this, we are deeply thankful.

I have already sent Wayne a personal thank you for his help, but wanted you to know that he gave us excellent help in taking care of us. We contacted him extremely late in the planning stages, yet he so kindly took great care of us.

On behalf of Christ Chapel, the partnering churches who organized the 5k, and the over 2,000 runners that participated in the Choose Life 5k, please know that we are incredibly grateful for your gift.

Sincerely,

Micah Barnum
Local Outreach Pastor
